

Labour force participation rate: Breakdown by gender

Downloaded from <https://www.canterburywellbeing.org.nz/our-wellbeing/employment/labour-force-participation-rate/#link-breakdown-by-gender> on 20/04/2024 6:13 PM

The labour force participation rate for females is consistently lower throughout the time-series. The rate for females has increased and converged somewhat towards the male labour force participation rate during recent years. In September 2022 the rate for females is 69.1 percent and for males 77.6 percent.
